**Inspirational quotes** can be a powerful, direct  
and concise way to convey meaning.

They **let you fill in the gaps for yourself...**

# Introduction

When I usually share inspirational quotes – via my Self Help Collective website, say, or via my [Weekly Wonder newsletter](#) – I often attempt a brief explanation of the quote that encourages action. (Sometimes quotes can ‘wash’ over you, otherwise!) But there can be nothing more personal than relationships, I’m sure you agree. So rather than adding my perspective to the carefully chosen relationship quotes that follow, I’ve decided to leave that perspective to you, the reader.

**You will know best what each inspirational quote means to you**, right now, in your relationships; your perspective is most important, here.

Thank you for reading this **BONUS EBOOK** and I wish you well with your relationships, **ESPECIALLY** the one you have with yourself!

**Relationship Quote: #02**

*“Some of the biggest challenges in relationships come from the fact that many people enter into a relationship in order to get something: they’re trying to find someone who’s going to make them feel good. In reality, the only way a relationship will last is if you see your relationship as a place that you go to give, and not a place that you go to take.”*

– Anthony Robbins

*“Personal relationships are the fertile soil from which all advancement...all success... all achievement in real life grows.”*

– Ben Stein

and when to come closer is the  
key to any lasting relationship.”*

## About Steve M Nash

Steve is the creator and editor of guru-free self-help site [SelfHelpCollective.com](http://SelfHelpCollective.com), and has been since February 2008 when he decided to finally create a site about something he was passionate about! (Previously, since 2000, Steve made his full-time living from creating websites he wasn't that bothered about – enjoying the autonomy, but nothing much else.)

In fact, SelfHelpCollective.com is [powered by SBI!](#), and it was the internet business-building service known as SBI! that got Steve to finally take a long, hard look at what he was passionate about (answer: helping people to help themselves). As you can probably tell, **Steve has become a really big fan of inspirational quotes** – he even posted a few of his favorites into a YouTube video...
